Gentlemen:

We believe that we should inform you that Beaver Paint Company is exempt from filing a CAIR Reporting Form for any of the 19 listed chemicals, for the following reasons: we are a single facility and not a subordinate of a larger company; we do less than 40 million in sales; and we do not handle over 100,000 pounds per year of any listed chemical.

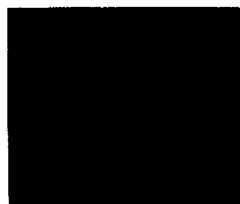

In conversation with Jenner Gutierrez of your office, he agreed with our decision that we were exempt from the reporting requirements under CAIR.

Very truly yours,

BEAVER PAINT COMPANY
